

**Every Sunday I love to go to
Sunday School where I learn about
my blessed Lord. Every Sunday I
love to go to Sunday School where
I read God's Holy Word.
I love my teachers - they love me.
We're just like one big happy**

family! If I could only have my way, I'd make it Sunday every day!

Every Sunday I love to go to Sunday School where I give my offering to the king. Every Sunday I love to go to Sunday School, where I learn to pray and sing!
